PRESS COMMUNIQUE.

The Imperial Council of Agricultural Research offer a prize of Rs. 500 for a thesis on the following subject:—

(i) The existing mechanism, methods and any other factors which determine wheat prices in the principal Indian *mandis.*
(ii) Whether such prices normally constitute a fair return to the grower.
(iii) The steps needed to ensure a fair return to the grower, if the answer to (ii) be in the negative.

2. Due regard should be paid to the international wheat position, to the fact that India is not at present a wheat-exporting or wheat-importing country, that there is at present an import duty on wheat of Rs. 2 per Cwt. (Re. 1-7-6 per maund) and that the exchange value of the rupee in terms of sterling is likely to remain as at present.

3. Any thesis submitted for competition should reach the Secretary, Imperial Council of Agricultural Research, not later than the 1st of October 1934, and should not exceed 6,000 words.

4. The copy-right of any thesis (or theses) to which a prize is awarded, or which is selected for publication by the Imperial Council of Agricultural Research shall vest in the Council.

5. The Council reserves the right to divide the prize in the event of two or more theses being adjudged of equal merit; subsidiary prizes may be given if recommended by the judges. The thesis will be judged by a committee of three. The names of the judges will be announced later.
